

### About CLASS

The CESA 2 Licensure Academy for School Staff (CLASS) program is a Wisconsin Department of Public Instruction (DPI) approved alternative pathway to teacher licensure in the state of Wisconsin. The CLASS program provides formal instruction in the planning and delivery of effective instructional practices, assessment of students' progress, classroom management, and educational technology implemented during your teaching experience in order for candidates to meet the requirements of initial or add-on teaching licenses in the state of Wisconsin.
